

# Summary of Services

CIM Employment is the Employment Service provider of choice in the local area.

CIM Employment's philosophy is governed by an overwhelming belief that employment helps people realise their health potential and is of vital importance in a person's life.

It is imperative to choose the right person for the job, keep people job fit and support workers who are "at risk" of losing their employment.

CIM Employment provides a wide range of support services to employers, workers and job seekers.
